

Believing God To Supply My Needs

(A Prosperity Prayer)

Father, as I continue to walk in your word, I know that you wish for me to prosper and be in good health.

You have provided access to your throne of grace in my time of need and assured me that you will supply all of my needs according to your riches in glory.

I am not anxious, but thankful that you have heard my requests. Although I do not always understand, I feel your peace and remain confident.

Therefore, I do not consider my surroundings, but I consider and seek to know and understand your word, the Bible. I do not let my current situation concerning food, clothing, shelter or other basic necessities concern me. For you already know what I have need of and have blessed me already. I expect all these things to be added to my life because you have promised to be my provider.

Yes, all of your promises are assured and I say “Amen” to this truth and give you all the glory.

In Jesus name, I pray.
